

2018 Rain Barrel Design Competition

Open to all public & private K-12 schools in Lake, Porter & LaPorte Counties

Teachers, win a cash scholarship for your classroom!

\$\$\$

Compete against other schools in this public environmental art contest and teach your students about conservation -- a great way to incorporate Earth Day and the environment into your classroom activities!

Teachers and schools interested in participating will get a rain barrel they can paint or decorate with their own environmentally-friendly materials to illustrate an environmental theme.

Contest registration and rules available online at www.PorterCountyRecycling.org. Please be sure you can deliver your barrel and pick it up from the event as instructed. The winner will be announced at the end of the Earth Day Celebration, around 2 p.m.

SUPPLIES ARE LIMITED; FIRST-COME, FIRST-SERVED.

For more information, call 465-3819.

The Rain Barrel Design Competition sponsored by

- * Bucher Construction
- * Northwest Indiana MS4 communities
- * Porter County Recycling & Waste Reduction
