

Water Quality Workshops

Apply online!
Participation is limited.

Workshops at 6 p.m.:

- * Tuesday, March 14, Portage
- * Tuesday, March 21, Valparaiso
- * Wednesday, March 22, Chesterton

Residents will learn about:

- Nonpoint source pollution
- Best practices to reduce your impact on the watershed
- Maintaining healthy lawns for water quality
- Rain barrels
- Native plants
- Rain gardens
- and more!

Must live in the Porter County Lake Michigan watershed to attend. The Lake Michigan watershed is located in the striped area of the map on the back of this flyer.

Rain barrels are free to the first 20 residents living in the watershed who apply on each date; the next 10 applicants on each date will have the opportunity to buy a rain barrel at \$39, which is discounted \$20 off the retail \$59 price. Only one barrel allowed per address.

Details and applications available on
www.PorterCountyRecycling.org

Funding for this program was provided in part by the National Oceanic and Atmospheric Administration and the Indiana Department of Natural Resources, Lake Michigan Coastal Program.

Bring the family!

Children will enjoy fun and educational activities provided by our school educator, Ms. Allison.
